The German way to do media

We captivate audiences with credible content that they can rely on. Benefit from our strengths – a brand that people believe.

MEDIKIT
We believe in people with minds of their own

People who think, reflect, reconsider, innovate. Who make rules, instead of playing by them, take action instead of acting out, and motivate instead of standing in the way. Who see challenges where others only see problems and use curiosity as a way to move past fear.

We are there for them.

DW. Made for minds.
We provide people with a global platform to express their opinions. It’s a chance to discuss the matters they hold dear with an international audience.

We deliver bold journalism that reflects and strengthens democracy and freedom of speech: No sensationalism, just an honest analysis of the facts. We provide unbiased news and information to help people understand the world better.
Global decision-makers trust us

For more than 65 years, DW has been the media company that people turn to for reliable content and information. More than 96% of users consider DW a trustworthy source – something that you can profit from by partnering with us.
